Increased support for early childhood matters

Following the closure of Horizon 0-5 in 2022, it was decided to make Réseau réussite Montréal (RRM) the regional early childhood consultation forum for Montreal, given that, as an active member of Horizon 0-5, RRM had been working on early childhood literacy and school preparation issues for many years.

The events of the past year were thus an opportunity for RRM to heighten its focus on early childhood matters.

Increased mobilization around early childhood issues on RRM's committees and governance structures

More support for the first transition to school
(details on page 4)

Participation on local transition-to-school committees

Financial partners

Réseau réussite Montréal was able to engage in its activities in 2021–2022 thanks to support from the Island of Montreal's three school service centres and two school boards. We are grateful for their commitment and support.

The implementation of Réseau réussite Montréal's 2021–2022 action plan was made possible through funding from the following financial partners. We thank them for their support.

Réseau réussite Montréal's mission is to mobilize all partners in Montreal and serve as a focal point for initiatives that have a positive impact on young people, parents, and other concerned parties, with the objective of increasing school perseverance and success, and reconnecting with school.

2 targets

Support school service centres, school boards, and schools in achieving their graduation targets and implementing their success plans.

Contribute to reducing the vulnerability rate among preschoolers entering school.

4 priorities for action

Foster school-community collaboration around capacity-building projects aligned with the targets set out in success plans of school service centres and school boards.

Foster connections among all partners and the community, as well as the cohesion of actions to promote school perseverance and success.

Document, promote, and disseminate information relevant to actions that encourage school perseverance and success.

Support stakeholders' ability to act and create partner mobilization opportunities.

5 orientations

Strengthen prevention strategies for 0–12-year-olds.

Help 13–20-year-olds stay in or reengage with school.

Mobilize local, regional, and interregional stakeholders.

Document the Montreal reality and support knowledge transfer.

Promote the value of education.

Members

With the support of its **32 regional members**, including the Island of Montreal's three school service centres and two school boards, RRM acts as a mobilizing force and a catalyst to engage key figures in Montreal in a united effort. Together, the members work to develop partnership projects aimed at increasing the scope and effect of actions that promote school perseverance, educational success, and reconnection with school.
